

Teacher's Introduction

Aliya Atif

Classroom Structure

- Punctuality
- Regularity
- Healthy Lunch
- Morning Dua
- D.E.A.R
- Teaching Strategy
- Home Work
- Text Books
- Assessment and Evaluation
- Agenda/Collaboration/Feedback

Punctuality and Regularity

- First and foremost is punctuality and regularity.
- A punctual child feels more confident and is ready to learn.
- Being able to follow a routine from the beginning of the day is both rewarding and reassuring.

Healthy Lunch and Snack

- A healthy lunch energizes the kid and help boost his eagerness to learn, explore and question. One snack and a lunch item is recommended.
- A healthy lunch comprises of:
 - Fruits and Vegetables
 - Sandwiches
 - Pasta
 - Yogurt
 - Cheese and Cracker

Routine

- Morning Dua:
- Insha Allah we will begin the day with Surah e Fateha and The Four Quls.
- Everyday a child will take a turn to recite the surahs.
- Fridays either recitation of Surah e Kahaf and Durood e Pak.
- Seerat e Pak class once a week
- Daily islamic studies program.
- Arabic twice a week.

D.E.A.R(Drop Everything and Read)

- A daily DEAR program (Drop Everything and Read) provides students with much more than a just-sit-there-and-read experience. It gives the teacher a structured time to touch base with each student over a period of time, assess progress, and target instruction. Even more important, it gives students time to read what they want to read, share what they've read, and receive the support they need for further reading explorations and reflections. Daily reading sessions last between twenty and thirty minutes and are followed by fifteen minutes in which students can write in their reading response logs. When a student completes a book, he or she conferences with the teacher to discuss the book and share his or her reading log.

Teaching Strategies

- Establishing and following routines
- Respect and tolerance
- Group work
- Pair work
- Use of manipulative
- Accountable Talk
- Student/Teacher Conference
- Student/Parent Conference
- Use of electronic/print media
- Presentations
- Quizzes/Tests
- Field Trips
- Hands on learning

Home Work

- Better retention of factual knowledge.
- Increased understanding.
- Stronger critical thinking skills.
- Better study habits and time management skills.

Textbooks

Care and Maintenance of Textbooks

- **Textbooks** should be **covered** at all times. It protects the cover and extends the life of the book. Excessive damages to book will result in a fine.
- **Do not tape your book covers to the books.** This damages the book and will result in a fine.
- Please write your **name** in the **designated area** only. Do not deface, write in or on the books.
- Write the title & barcode numbers of your books in a binder or another area for your reference in case of misplaced books.
- Be careful placing food and/or drinks in your backpack with your books.
- If you drop or change a class, or are no longer using the book, return it to the library to clear your record. Do not give it to your teacher or leave it in the classroom. You are still responsible for the book.
- **You are responsible for all books being checked out to you.** Please do not leave books in classrooms or lying around or loan them to your friends.
- When returning books, please take out papers and take off your book cover.

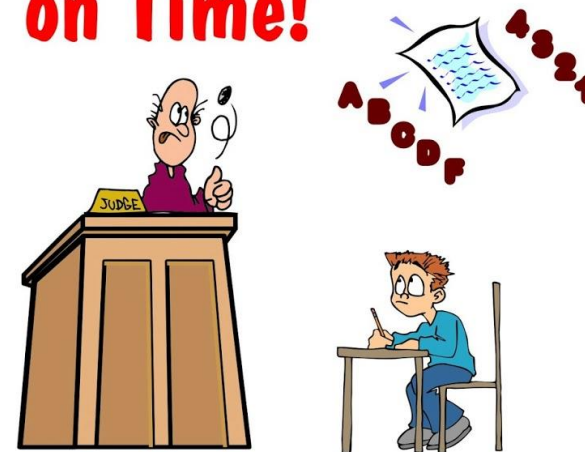

Assessment and Evaluation
